

## North Yorkshire League 2010

Congratulations to the 54 swimmers who represented Scarborough over the course of the 4 galas this season. For the many it was their first experience of swimming in a competitive gala; the team spirit evident throughout is a real positive for the club.

Scarborough SC use this League to help swimmers develop the strokes and techniques, thus most swimmers have had the opportunity to swim all strokes and at different distances.

All the swimmers are eligible to take part in the League Championships, which are to be held at Scarborough Indoor Pool on Saturday 6<sup>th</sup> November. Entry lists are on the notice board - please sign up as soon as possible. You can swim as many or as few events as you wish, but this is an excellent chance to record accurate times as there will be electronic timing.

Finally, thank you to the parents and grandparents who have helped at the galas during the season.
