

Badge Night

31 swimmers took part in badge night, all swimming farther than expected. 28 badges were given out on the night to very happy participants.

Eight 2000m, six 1500m, one 1000m, two 800m, one 600m, two 200m, one 100m, four 50m and three 25m.

Several children improved their previous best distances in the time we had available but didn't make the next badge distance, which at these lengths can be anything up to 1000m.
