

South Tyneside Spring Open 2012

Three members of the Scarborough Swimming club, Nathan Munday, Emma Keith, and Sam Broadley, recently took part in the South Tyneside Gala, held in Hebburn. Each of the three swimmers attained personal best times, improving on their times by up to 9 seconds in some of the events. The boys left the gala with various gold, silver and bronze medals, along with Sam making some new lady friends from other clubs taking part in the gala during the course of the weekend.

Nathan Munday and Sam Broadley both achieved times to qualify them for the North Eastern Championships later on in the year. In addition, Sam gained qualifying times in four of the events to enable him to swim in the forthcoming Welsh National Championships.
