

TEAMWORK KEY TO SCARBOROUGH S.C. SUCCESS

The second Ridings Premier Gala took place at Scarborough Indoor Pool on Saturday 20th April. It was a great night for Scarborough S.C. who produced another winning performance. With some new additions to the team it wasn't long before the strength and quality began to show. Improvement from last month's gala was the target and in the team events this was achieved in both the medley and freestyle relays adding confidence to the important team effort required to retain the Ridings league title in 2013.

Individual races followed with every swimmer hoping their hard work in training would pay-off. Coaches from the club recently targeted good starts and turns with positive attitude to training and the results were clearly visible. The Scarborough team did not disappoint with 20 victories from the 32 individual events an increase of 25% from the gala in March which brought loud cheers from the balcony along with positive comments from the 3 visiting clubs. With a wealth of personal bests achieved and no individual disqualifications, team spirit was now running high. The evening closed with victory for the club and the improvement was evident in the final result.

The result as below:

1st Scarborough 161 points
2nd New Earswick 117 points
3rd Kingfisher 106 points
4th South Hunsley 97 points

A massive thank you goes out to all the swimmers, especially the younger ones, who were a credit to their parents and Scarborough Swimming Club. Also, thank you to all officials, team managers, timekeepers and parental support from poolside and the balcony.
