

SCARBOROUGH SWIMMERS RIDING HIGH

Swimmers from Scarborough Swimming Club were on form at the first Ridings Premier League Gala of the season. Even with a slightly under-strength team they managed to see off opposition from the 3 other clubs. Some great swims from the younger members in the relays helped the club start their annual charge to hopefully retain the league title in 2013. With several new swimmers included in this year's squad it was all about teamwork. No need to worry as the teams took control with 3 wins and 3 second places which laid down the foundation for things to come.

Everyone now up for it, it was onto the individual races. 32 individual events are listed and Scarborough won 16, an achievement which can only be described as "BRILLIANT". All times and splits were recorded by our team managers and 96% of the individual events were Ridings League personal best times. Scarborough Swimming Club ended the evening with 4 wins from the freestyle relays. With so many incredible performances by our swimmers it would be impossible to list every achievement in the pool, so it is for the results to do the speaking.

Results

1st Scarborough - 152 points

2nd South Hunsley - 114 points

3rd Kingfisher - 102 points

4th Thirsk White Horse - 97 points

A massive thank you goes out to all the swimmers, especially the younger ones, who were a credit to their parents and Scarborough Swimming Club. You were great company and so well behaved. Also, thank you to all team managers, timekeepers and parental support from poolside and the balcony.
