

## Badge morning

23 swimmers took part in the badge morning ranging from Ryan Souter 5 years old who swam 20 meters to Holly Millard and Khyarna Foster 10 years old who swam over 3000 meters.

Jake Shepherdson and Lucy Marshall managed to swim 200 meters; both had only managed 25 meters before this. Grace Boyes swam 800 meters and her twin brother Charlie went just 8 lengths further to achieve 1000 meters along with Lewis Henson and Frazer Ives.

6 year old Eric Hobkinson, along with Molly Tomlinson and Trinity Knowles, both 7 years old, had the swim of their lives, all swimming 60 lengths to receive 1500 meter badges. Others gaining 1500 meter badges were Holly Shepherdson, Kodi Foster, Emily Kelly and Daniel Souter.

Chloe Holloway and Megan Kelly both only 8 years old swam 2000 meters. Three more 8 year olds Georgina Calvert, Alex Beeson and Jack Northgraves went 20 lengths further to get 2500 meters. Rhys Doubtfire and Joshua Coats also swam 2500 meters.

Everyone swam much further than expected and left the pool happy. I would like to thank all the help that was offered making it a very successful morning for all.
