

Scarborough SC Border League 2014 Team Gala at Beverley

Scarborough Swimming Club travelled to Beverley Leisure Centre, with a mixed team of 31 swimmers, to compete in the first Scarborough and District Border League gala of the season.

A busy 3 hours, saw 48 races take place against 5 other teams. Energetic swimming was accompanied by loud cheering from their supporters and proud families.

For many of the younger swimmers, this was their first team gala, but they all swam with enthusiasm and were well supported and encouraged by the older and more experienced members of the team, making this a positive and exciting experience for them.

Some competitive swimming took it right down to the last, thrilling 12yrs and under Girls Medley Relay and Boys Medley relay and the Open Girls Freestyle relay and Open boys Freestyle relay races, seeing Scarborough finish a very satisfying 3rd place overall.

Congratulations go to all the swimmers for their excellent teamwork –
